Dear Friends:

It is my pleasure to welcome you to the Memorial Art Gallery for this very special 40th anniversary celebration of SUNY Empire State College.

On behalf of Monroe County, I would like to recognize SUNY Empire State College for the important role it plays in our local educational community. The many opportunities the college provides to students have proven to be effective in strengthening our local economy and preparing graduates to accomplish their career goals.

This occasion is a true testament to the many years of hard work and unwavering commitment shown by students, faculty, alumni and administration. Through their dedication, Empire State College has become a highly esteemed educational institution both locally and regionally.

Again, I thank SUNY Empire State College for the extraordinary impact it has had on countless individuals throughout Monroe County. I congratulate the college on its 40 years of providing Monroe County residents with high quality adult educational opportunities and wish for continued success in the coming years.

Sincerely,

Maggie Brooks  
Monroe County Executive
